

EASTER EGG BASKET WINNER

A

A big thank you to everyone for sending in their wonderful Colouring in entries for our Easter Holiday competition. The office looked very bright and happy.

P

It was difficult keeping the team away from the chocolate. But they managed OK. A big Congratulations to Xavier who was drawn out as the lucky winner. We do hope you enjoyed & shared the basket full of yummy chocolate.

STORM & FLOOD UPDATE

Last Tuesday 20/04/15 we were hit with a very large storm which effected the Central Coast and Hunter Valley areas. The storm had torrential rain and massive winds, as well as mass flooding. We did have some properties experience some damage, but not too many which is always good news. I have included some images for you to see. All of our phone & electricity services are now back & working again, which makes things a lot easier.

2

I am very pleased to say that our team handled the crisis situation very well, and responded immediately to the calls for help from your tenants. We had some tenants stranded by the flood waters at Gillieston Heights, and we were fortunate to have the SES delivery our food drop to them (as you can imagine 7 days of not being able to leave the town, the residents were running short on food and essential supplies).

We are all very thankful to the SES, police, fire, energy companies, other many required services.
